Our heritage
for the future

A photograph of a man and a young child walking away from the camera on a sandy path that leads to the ocean. The path is flanked by a wire fence supported by wooden posts. The landscape is a coastal dune area with sparse, dry grass. In the background, the ocean is visible under a clear sky, with several offshore structures or wind turbines on the horizon.

Australian Heritage Festival: Our heritage for the future

2021 AUSTRALIAN HERITAGE FESTIVAL THEME

The Australian Heritage Festival is created with the vision of recognising and celebrating the significance of our natural, historic and Indigenous heritage places and ensuring they are valued by Australians, protected for future generations and cared for by the community.

The Australian Heritage Festival is coordinated annually by the National Trust of Australia.

The National Trust is committed to achieving this vision by leading the Australian Heritage Festival nationally, building strong partnerships with communities to celebrate their natural, historic and Indigenous heritage, and to engage lovers of heritage and new audiences with the stories of our past and present so they may be preserved for the future.

This year the theme for the Australian Heritage Festival will be **Our heritage for the future** – celebrating of all aspects of Australian culture and history, telling the stories of diverse and distinctive experiences that make up our communities.
